Medical Information

Medical Control /Anti-Doping

The Presbyterian Hospital Invitational Criterium is subject to USADA Anti Doping Examination. All competitors and team personnel must abide by these regulations. Any rider found positive will forfeit all prizes won at the event.

Anti-doping will be located at the Omni Hotel: The Omni Hotel is located at 100 N. Tryon St. directly behind the start/finish line. **We ask that you attend the awards ceremony before going to control.**

The list of riders required to report will be posted at the start/finish stage. The riders will be required to report to medical control within 60 minutes after the awards and protocol ceremonies.

Please note! The awards for both men and women are held directly after the finish of the men's race. Top 3 riders from each event must report to the finish area immediately after this race. This is required and must be done before reporting for testing.

It is the responsibility of the rider and/or their team personnel to insure that they report to Anti-Doping within the required time.

Event Medical Emergency

EMS will be on the race course in (3) locations:

- 1. Tryon Street & Trade Street (directly across street from start/finish stage)**
- 2. S. Tryon Street & W 2nd Street (south end of course,)**
- 3. N. Tryon Street & W 6th Street (north end of course)**

Awards Ceremony

***Women's Race:**

The **winner** of the women's race should report to the Start/Finish stage immediately following the finish of her race. Our race announcer will conduct an interview before the start of the men's race and during the first few minutes of the men's race.

Men's Race:

The **first 3 finishers** of the men's race should report to the Start/Finish stage **immediately** following the finish of their race.

*There will be a **combined awards ceremony** with presentation of flowers to **the first 3 places in both the women's and men's race** as well as a winner's check presentation to the winners.

The first 3 finishers in both the women's and men's race must report to the Start/Finish stage immediately after the finish of the men's race at approximately 9:45pm.

These riders must report to awards wearing team uniform of shorts and jersey.

It is imperative that riders and managers respect our request that you follow the instructions above. We will be on live television coverage and are on a very tight time schedule. Your assistance is highly important to us being able to both meet our schedules and have you and your teams receive maximum exposure.

Please note! The awards for both men and women are held directly after the finish of the men's race. Top 3 riders from each event must report to the finish area immediately after this race. This is required and must be done before reporting for testing.

Failure to comply with our requests can incur a penalty of up to 50% of prize earnings.

We thank you for your assistance!!
